Dear Mr. Sokol,

Please excuse my haste, for I'm overwhelmed by more work and mail than I can handle.

I do remember your earlier letter and do recall that I expressed a willingness to speak at Hobart College.

Thus far I've been getting $200 minimum from colleges plus expenses. I'm contracting with a lecture bureau to handle my appearances (WIde World, 18 East 48, NYC) but as yet we have reached no agrrrment. I presume we will the first time I'm in New York.

I have been so busy I've been able to keep only those promoses I made by the end of July. I've done a second book and have a third and fourth researched.

There is no new Burke show of which I know. Metromedia did a special that ran for three hours and was aired in November. I believe the subject is now going to open wide.

Best wishes,

Sincerely,

Harold Weisberg
